AUDITION CALLBOARD for FIRST PRODUCTION of 2008-2009 Season

The Rodgers and Hammerstein Musical

The Sound of Music

Sunday, September 14, and Monday, September 15

All students in grades 4 through high school are welcome to audition for BCT mainstage productions. All BCT auditions are conducted similarly to a theatre workshop; sign up for one of two audition dates set for each production, and plan to stay for the full 2-hour period. Before you sign up, check your calendar to see that you are available for the full rehearsal/production schedule; and be sure that you are willing to accept any role offered. The cast fee is \$200; scholarship assistance is available, there is a \$100 discount if you are currently enrolled in a BCT class. All auditions and most rehearsals for mainstage productions are held at BCT's office at 321 Columbus Avenue, Boston 02116 (between Clarendon & Dartmouth Streets, in the Back Bay). BCT performances will be at the Grand Lodge of Masons, 186 Tremont Street, Boston 02111, in the heart of the theatre district.

BOSTON CHILDREN'S THEATRE features "live theatre for children by children," with young people playing all roles.

The 2008-2009 schedule of mainstage productions is listed below, so that you can plan ahead to audition and participate all year.
